

GAMMA-DYNACARE MEDICAL LABORATORIES ONTARIO PATIENT SERVICES CENTRES

As one of the largest providers of licensed medical diagnostic services in Canada, Gamma-Dynacare has built a wide network of specimen collection Patient Services Centres across Ontario and beyond. Their convenient locations have made them attractive to the pharmaceutical industry for sample collection for clinical trials. Our knowledgeable staff will draw, prepare, package and ship specimens to our laboratories as well as to others across North America.

Most visits to our Patient Services Centres, do not require appointments; however, Glucose, Lactose and Xylose Tolerance Tests, Holter Monitoring, Helicobacter Pylori, Breath Alcohol Testing and DOT urines procedures will require appointments.

For Semen Analysis please refer to the Collection Instruction Section of this manual for further information.

To inquire about our hours of operation, please call the Customer Service Department nearest to you.
